

New Mayoral Appointments

The Board of Trustees is composed of nine members: two members of City Council, two Citizen Representatives, four City employees and a Retiree Representative. Mayor Dee Margo recently made three new appointments to the Board. Mayor Margo appointed Matt Kerr and Tamara Gladkowski as the new Citizen Representatives and appointed City Council Representative, Isabel Salcido. Kerr and Gladkowski replaced former Citizen Representatives, Rene Peña and Presi Ortega, respectively. Peña and Ortega were presented with a Board Service Award for their exemplary service to the City of El Paso Employees Retirement Trust. Salcido filled the seat held by District 3 Representative, Cassandra Hernandez. The Board and Staff appreciate the efforts of these dedicated members of the Board of Trustees.
